Dear Dr. *(Name)*

Per California Code of Civil Procedure Section 2032.510 (c), please be advised that our client will be accompanied during their Defense Medical Examination by Karen Magarian, an observer from our office.

Plaintiff reserves the right and power of Plaintiff attorney's representative to uphold limitations, per our Response to Demand, and will suspend the medical examination if doctor attempts to conduct any inquiry or testing beyond these limits.

Thank you for your courtesy and cooperation regarding this matter.

Very truly yours,
